Absence

Pamilerin Iwalewa (apologies given)

Othman Alikhan

Since last meeting:

- Built the foundations of the wiki
- Developed the burndown chart
- Formalized the sprint backlog chart
- Generated the initial UML class diagram
- Designed several templates for the various meeting documents

Until next meeting:

- Develop the Client class
- Within the Client module, develop the Menu and Food classes

Current problems:

- Setting up Sphinx to enable automatic code documentation (require more basic understanding of how sphinx works)
- Lack of ideas for the issue tracker labels (need more time to come up with ideas)

Jhighar Mistry

Since last meeting:

- Researched some database examples

Until next meeting:

- Develop the database class

Current problems: **None**

Taiwo Kareem

Since last meeting:

- Developed some code for the server using Django
- Formatted the README.md file

Until next meeting:

- Learn Sphinx so that doc string style is done appropriately

Current problems: **None**

Danilo Andrade

Since last meeting:

- Wrote the meeting notes
- Attempted to update the wiki

Until next meeting:

- Learn more of the Markdown syntax

Current problems: **None**

Pamilerin Iwalewa

Absent.
